I, _____, hereby affirm that I have been advised and thoroughly informed of the identified and inherent hazards of huaka'i/field trip in the Kaho'olawe Island Reserve and boating activities and participation in a vessel voyaging in the State of Hawai'i, and its surrounding waters.

_____ Further, I understand that boating in either confined water or open ocean involves certain inherent risks including slips and falls, impacts to neck, spine, legs, arms, and head due to sudden and unstable motion generated by ocean swells, waves, wakes, rebounding surf, lightning, torrential rain or ocean spray, sun burn, hyperthermia, heat exhaustion, dehydration, sea sickness, nausea, loss of bladder and bowel control, and a variety of injuries associated or caused by instability in the pitch, roll, fall, and surge of the vessel in a seaway. Such injuries can occur that require treatment in a medical facility. I further understand that the areas chosen to operate may be remote sites, and isolated by time and distance, from such a medical facility. I still choose to proceed with such boating activities in spite of the absence of a medical facility in or near proximity.

_____ Further, I understand that during the huaka'i/field trip I will be exposed to hazardous conditions on the island and in the ocean such as slips, trips, falls, rodents, vermin, feral cats, insect bites, heat exhaustion and dehydration.

_____ Further, I understand that the island of Kaho'olawe was used from 1941 to 1990 as a live ordnance military training complex; that the island and its waters were used by the United States and its allies as a live ordnance impact training area; that the ENTIRE ISLAND IS DANGEROUS AND UNSAFE due to the presence of surface and subsurface UNEXPLODED ORDNANCE; that there may be hazardous conditions and ordnance on and under the surface of the island and in the waters surrounding the island; and that unexploded ordnance may explode near me or my child which could cause serious bodily harm, injury or death.

_____ I also understand that recreational swimming may take place at the beach areas of Kaho'olawe Island and that unexploded explosives may be present in the waters and also that sharks or other natural dangers may be present. I further understand the risks presented by the currents, surf, and shoreline conditions. Additionally, I understand that certified lifeguards are not present and swimming is at the swimmer's risk.

_____ I understand and agree that neither Kohe Mālamalama O Kanaloa-Protect Kaho'olawe Fund; Protect Kaho'olawe 'Ohana, Pualele, Pualele Iki, Robert Kalei Lu'uwai, Paul Ka'uahane Lu'uwai and crew, Cynnamon, Eugene Cho and crew, designated kua, officers, agents and employees (here in after referred to as "Released Parties") may be held liable or responsible in any way for any injury, death, or other damages to me or my family, heirs, or assigns that may occur as a result of my participation in this boating activity or as a result of the negligence of any party, including the Released Parties, whether passive or active.

_____ In consideration of being allowed to enroll in this trip I hereby personally assume all risks in connection with said trip, for any harm, injury, or damage that may befall me while I am a participant or passenger including all risks connected therewith, whether foreseen or unforeseen.

_____ I further agree to save, defend, indemnify, and hold harmless said vessel operators, the Released Parties from any claim or lawsuit by me, anyone purporting to act on my behalf, my family, estate, heirs or assigns, arising directly or indirectly out of my participation and activities on this trip including claims arising during the trip even if such claims may be groundless, false or fraudulent.

_____ I also understand that boating and huaka'i/field trip activities are physically strenuous and that I will be exerting myself during this huaka'i/field trip and boating trip and if I am injured as a result of a heart attack, panic, hyperventilation, stroke, induced anxiety, physical trauma and bodily injuries, drowning, etc. that I expressly assume the risk of said injuries and that I will not hold the above listed individuals or companies responsible for the same, and I agree to defend, indemnify, and hold harmless the Released Parties for any such injuries incurred by me.

_____ I further state that I am of lawful age and legally competent to sign this liability release. I also confirm that I am in good physical condition and fully cleared by my physician to participate in huaka'i/field trip and boating activities. It is my own responsibility to independently discuss any health issues I may have with my doctor and abide by his decision with regard to huaka'i/field trip, boating and other strenuous activities that may choose to participate in on this trip. I am unaware of any limitations that would preclude me from huaka'i/field trip and boating activities and

have fully disclosed any medical or health issue that might disqualify me in any way from participation.

_____ I understand that the terms herein are contractual and not a mere recital, and that I have signed this document of my own free act. Further that I understand and agree that in the event that one or more of the provisions of this agreement, for any reason, is held by a court of competent jurisdiction to be invalid or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect any other provision hereof, and this agreement shall be construed as if such invalid, illegal or unenforceable provision or provisions had never been contained herein.

_____ I understand that this document lays out the most foreseeable hazards that may be encountered but there may be others that are not included. I am aware that a myriad of other potential hazards may manifest, including sudden changes in weather and sea conditions, currents, visibility, marine life, animal attacks, venomous ocean organisms, etc. I still intend to make a conscious decision to participate in this huaka'i/field trip in spite of these noted and other unspecified hazards of any kind that could happen.

_____ The novel coronavirus, COVID-19, has been declared a worldwide pandemic by the World Health Organization. COVID-19 is extremely contagious and is believed to spread primarily from person-to-person contact. As a result, federal, state, and local governments and federal and state health agencies recommend social distancing and have, in many locations, prohibited the congregation of groups of people. The Protect Kaho'olawe 'Ohana/Kohe Mālamalama O Kanaloa has implemented preventative measures to reduce the spread of COVID-19. However, the Protect Kaho'olawe 'Ohana/Kohe Mālamalama O Kanaloa cannot guarantee that you or your child(ren) will not be exposed and/or become infected with COVID-19. Further, attending Protect Kaho'olawe 'Ohana/Kohe Mālamalama O Kanaloa programming, camping, or volunteer days could increase your risk and your child(ren)'s risk of contracting COVID-19. I acknowledge the contagious nature of COVID-19. I voluntarily assume the risk that I and/or my child(ren) and I may be exposed to or infected by COVID-19 by attending Protect Kaho'olawe 'Ohana/Kohe Mālamalama O Kanaloa programming, camping, or volunteer days. I acknowledge that such exposure or infection may result in personal injury, illness, permanent disability, and death. I understand that the risk of becoming exposed to or infected by COVID-19 at Protect Kaho'olawe 'Ohana/Kohe Mālamalama O Kanaloa activities may result from the actions, omissions, or negligence of myself and others, including, but not limited to, Protect Kaho'olawe 'Ohana/Kohe Mālamalama O Kanaloa volunteer Kua, volunteer participants, and their families.

_____ I understand that this form shall relate to, include, and cover, all huaka'i to Kaho'olawe, in which I will participate during the entire year of 2025.
